

Says

What have we heard them say?  
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

Springernature

comprehensive  
collection  
information on  
airport

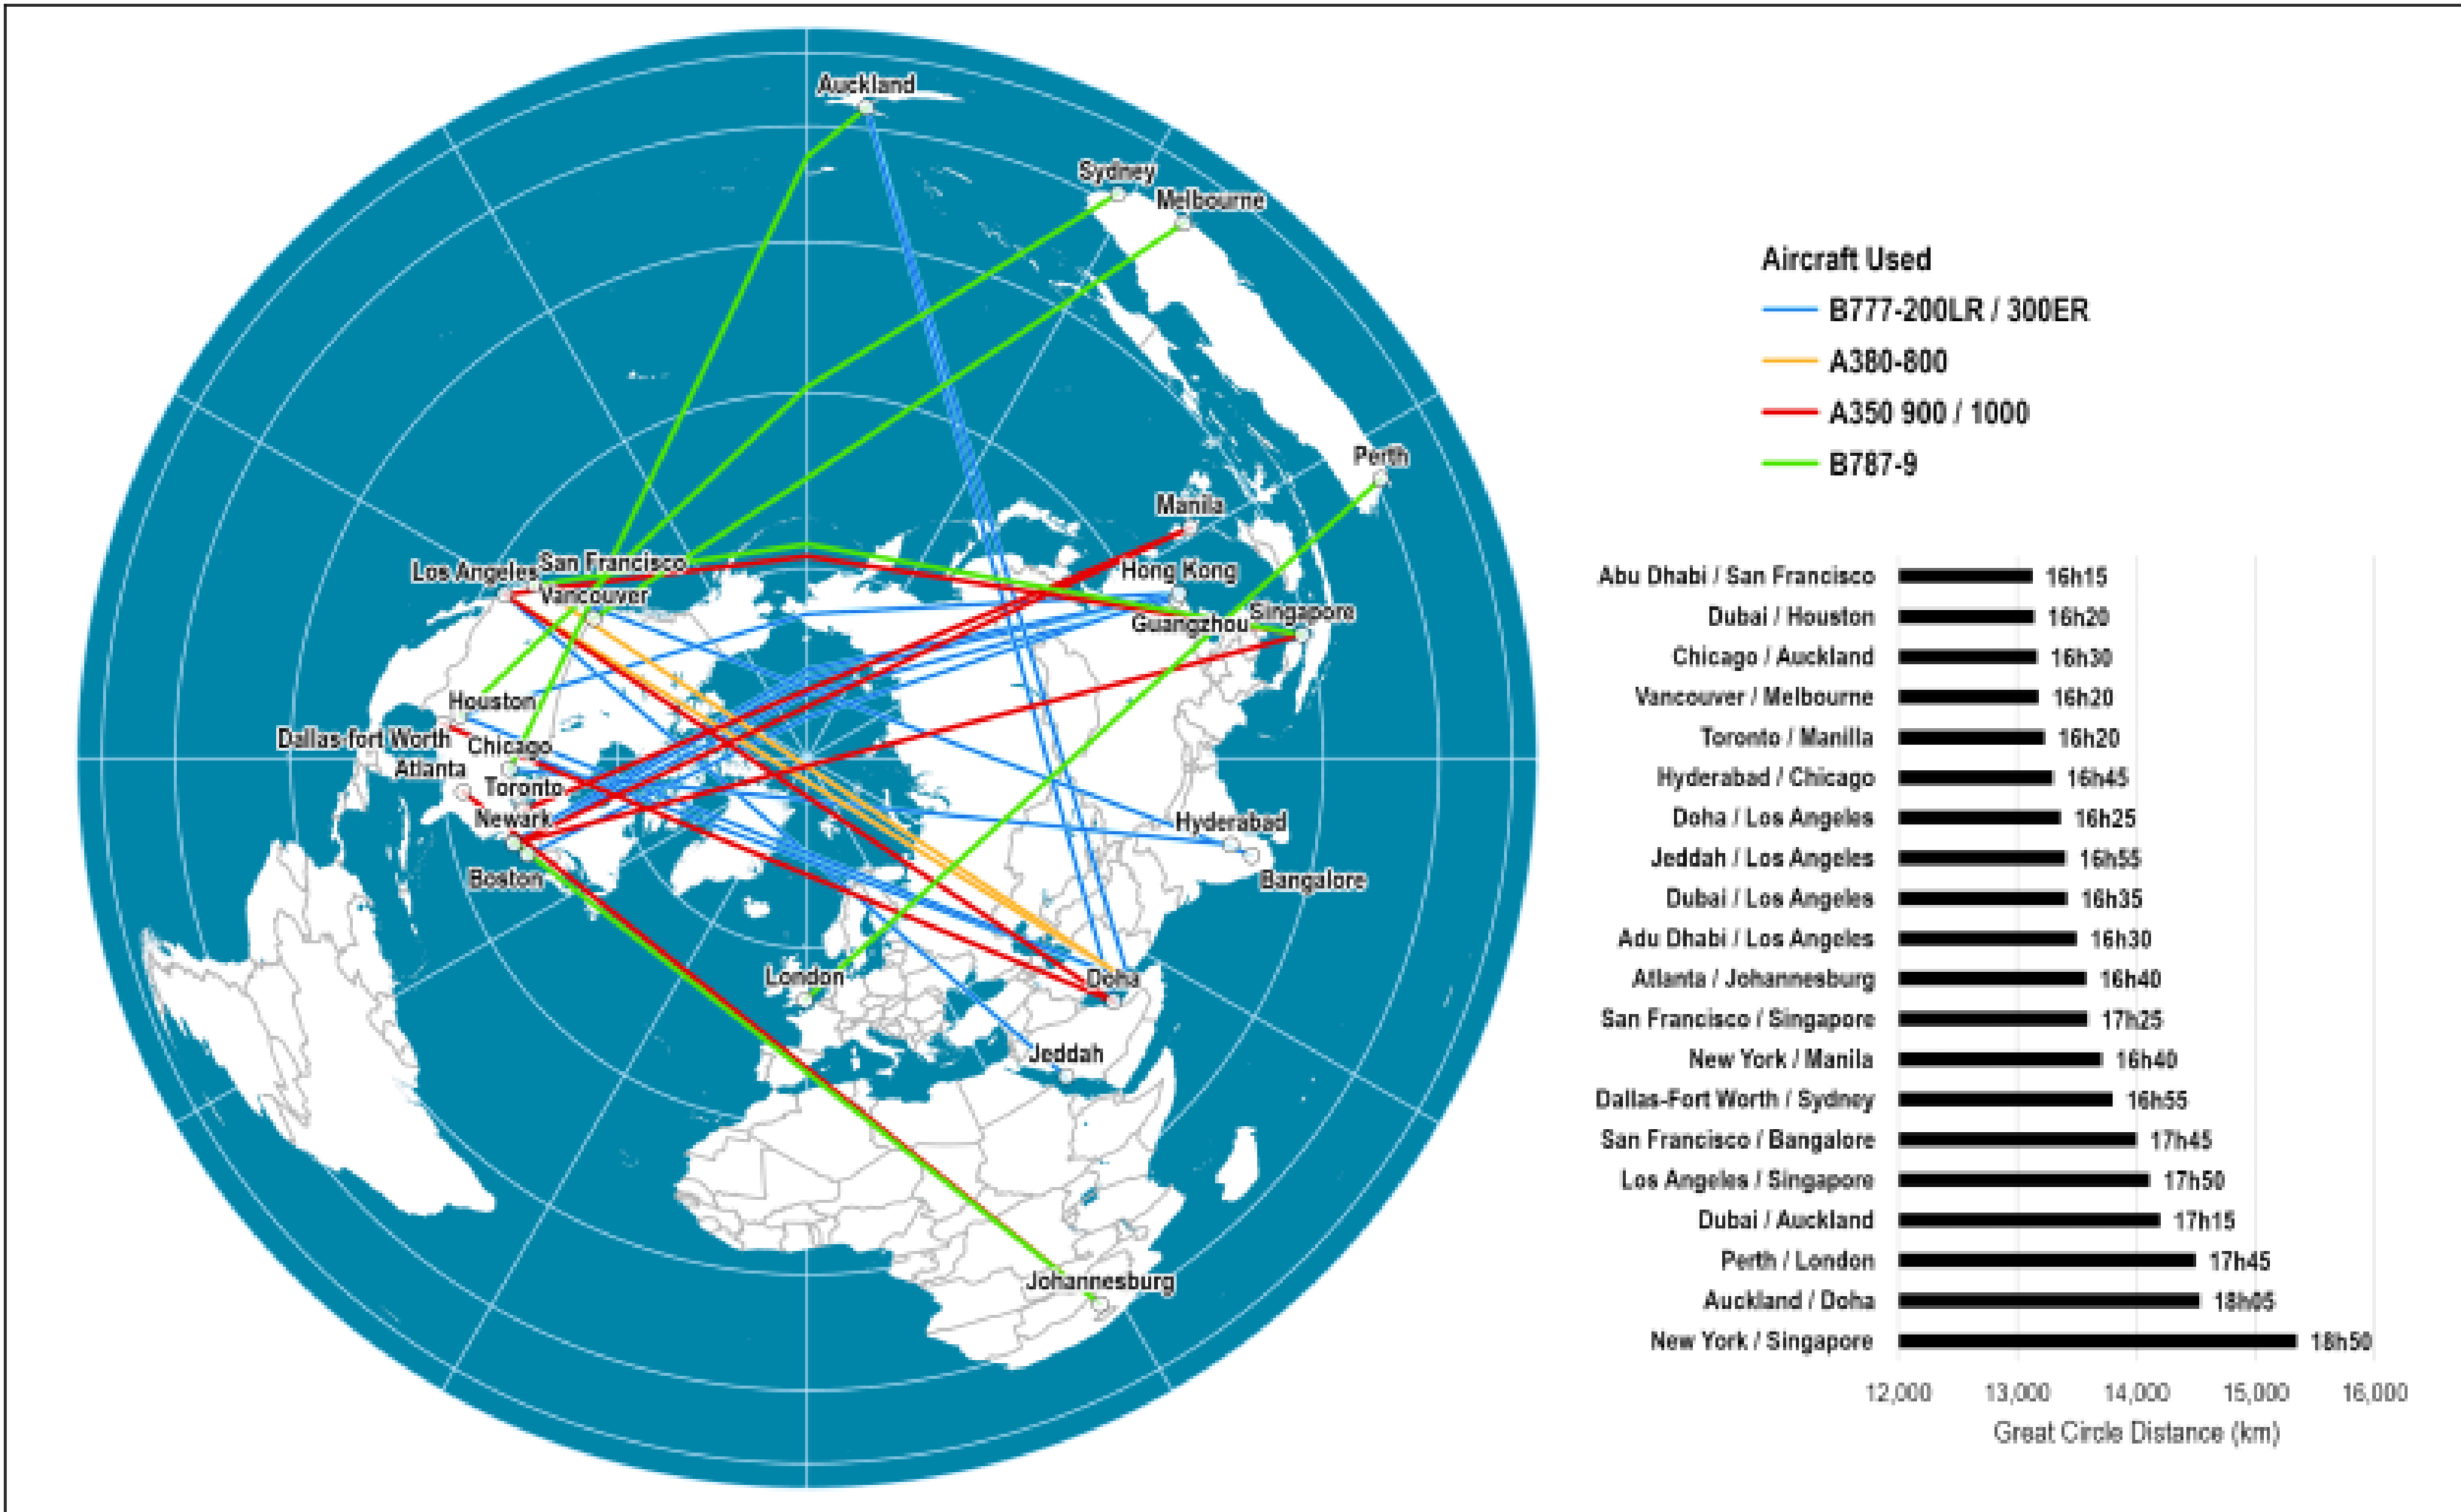

it can be used  
for the varity of  
research project  
from  
environmental  
analysis

use the airport  
data to create an  
interactive map  
illustrating are of  
the airports  
around the world

analyze airline  
route data to  
visualize patterns  
in airline flight  
connectivity

leverage the  
equipment  
type for  
each airline

To pretict  
maintanance  
costs for a  
fleet of  
aircrafts

Global air  
transportation  
network

it provides  
information on  
various  
airlines,airports  
and roots

if any stops required  
during this journey  
along with the type  
of aircraft being  
used for that  
particular journey

it contains information such  
as  
names,cities,countries,codes

it also cover  
route detail such  
as airline sources  
to distination  
airports

it has different  
regions and  
countries or  
compare different  
airlines routes head-  
head respectively

this data set  
offers a  
comprehensive  
over view of the  
world's air  
transportation

Does

What behavior have we observed?  
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
